

CATALYST 2022-23

WEB DEVELOPMENT

Task and instructions

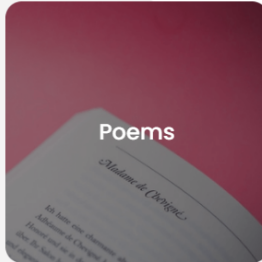

Recreate last years Catalyst Magazine home page section - from top to bottom (And your own creativity) | Refer actual [website](#) for reference

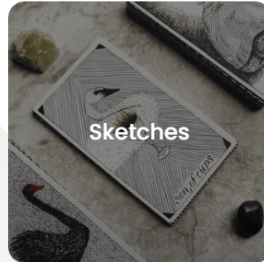

Interviews

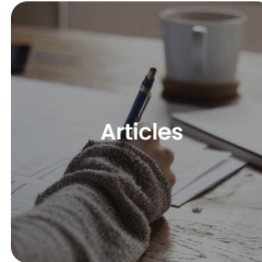

Expressions

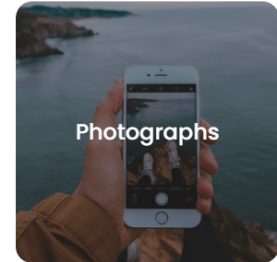

Poems

Sketches

Articles

Photographs

Spearheads

Achievements
Of the Students

Clubs
By the Students

Council
For the Students

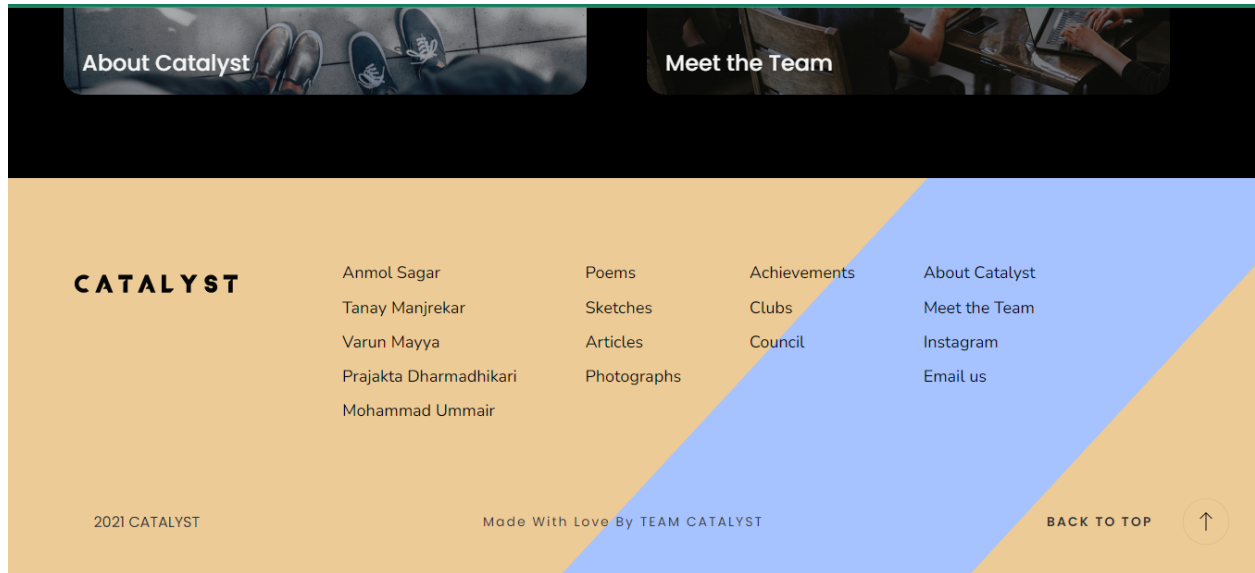

Catalyst & The Team

About Catalyst

Meet the Team

Constraints

- Website must have basic front-end.

Evaluation Criteria

- How similar it is recreated to last years website (And your own Creativity).
- Your Previous work details.
- Questions based on your technical knowledge.
- Questions based on google analytics and firebase.
- Website will be evaluated live in meeting.

Doubts?
